Vehicle Details
Shop this pre-owned 2023 Ford Transit Van EL T-250 Med Roof Slide Base in Omaha NE, a versatile full-size cargo van built for business use, mobile services, and daily transport needs. With 30285 miles, this Transit offers the space, height, and capability drivers want. The AWD system adds confidence in changing weather, while the V6, 3.5L Gasoline/E85 engine delivers strong performance for hauling equipment, tools, or passengers. Inside, you'll find Hands Free Bluetooth, a Back-Up Camera, and Rear Parking Sensors to help make every drive easier. The medium roof design provides extra headroom for loading and working comfortably. If you need a reliable, roomy, and ready-to-work cargo van, this Ford Transit Van is a smart choice for contractors, delivery services, trade professionals, and growing businesses. Its sliding door setup and generous cargo layout make loading simple, while the clean interior helps support day-to-day productivity. Visit us in Omaha NE to see this 2023 Ford Transit Van EL T-250 Med Roof Slide Base for yourself and take the next step toward a dependable commercial van today. Contact our team to schedule a test drive and experience a well-equipped pre-owned Ford Transit van that is ready to support your business goals and everyday hauling needs in Omaha NE today with total confidence.

Equipment
This 2023 Ford Transit Van EL T-250 Med Roof Slide features a hands-free Bluetooth phone system. See what's behind you with the back up camera on this Ford Transit Van. The rear parking assist technology on it will put you at ease when reversing. The system alerts you as you get closer to an obstruction. It is equipped with all wheel drive. This Ford Transit Van embodies class and sophistication with its refined white exterior. Set the temperature exactly where you are most comfortable in this model. The fan speed and temperature will automatically adjust to maintain your preferred zone climate. This 3/4 ton van has a V6, 3.5L high output engine. The Electronic Stability Control will keep you on your intended path. Anti-lock brakes will help you stop in an emergency. The high efficiency automatic transmission shifts smoothly and allows you to relax while driving. The FlexFuel capability of this Ford Transit Van allows you to select fuel depending on the price of E85 versus gasoline.
