Vehicle Details
Ready for work, adventure, and everything in between, this pre-owned 2017 Toyota Tundra Platinum 4WD delivers powerful capability with premium comfort in one commanding full-size pickup. Under the hood is a V8 5.7L Gasoline/E85 engine that brings confident performance for towing, hauling, and everyday driving. With four-wheel drive, this Toyota Tundra is built to handle changing road conditions and tough terrain with ease. The Platinum trim adds a refined touch, making this truck stand out with upscale features and a well-appointed interior. Stay on course with integrated Navigation, enjoy easier maneuvering with Rear Parking Sensors and a Back-Up Camera, and experience comfort in every season thanks to Automatic Climate Control. Hands Free Bluetooth helps keep you connected on the go, making calls and streaming audio more convenient while you drive. If you're searching for a dependable pre-owned Toyota Tundra in Omaha NE, this 2017 model is a strong choice for drivers who want power, luxury, and proven Toyota durability. Whether you need a capable work truck or a versatile family vehicle, the Toyota Tundra Platinum offers the performance and features to fit your lifestyle. Visit us in Omaha NE to see this impressive 4WD Toyota Tundra Platinum for yourself today.

Equipment
The state of the art park assist system will guide you easily into any spot. The vehicle offers Automatic Climate Control for personalized comfort. See what's behind you with the back up camera on this vehicle. The installed navigation system will keep you on the right path. The Toyota Tundra features a hands-free Bluetooth phone system. The leather seats in this vehicle are a must for buyers looking for comfort, durability, and style. Greater towing safety becomes standard with the installed trailer brake. The Toyota Tundra gleams with an elegant silver clear coated finish. This 1/2 ton pickup has four wheel drive capabilities. Maintaining a stable interior temperature in the vehicle is easy with the climate control system. The vehicle has a V8, 5.7L high output engine. Easily set your speed in this vehicle with a state of the art cruise control system. Increase or decrease velocity with the touch of a button.
